Church Camp

Tonk Talk by Mark T. Tonkery

Christian Camping

“Remember also your Creator in the days of your youth, before the evil days come and the years draw near when you will say ‘I have no delights in them’”

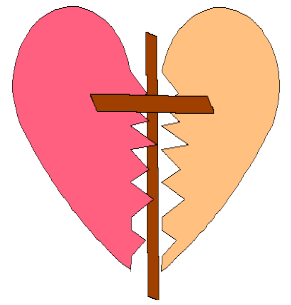

(Ecclesiastes 12:1)

I firmly believe that Christian camping is an effective tool in youth evangelism and encouragement. If your young person has not enrolled for camp please enroll him or her. Here are some of the reasons that make camp worth the effort.

- It is not just a camp in nature, even though that is an attractive and wonderful part of camp, It is a camp directed by Christians where all personnel are faithfully involved in their congregations.
- The purpose of our camp is to help young people develop physically, mentally socially and spiritually (Luke 2:52).
- All the Bible teachers, counselors, and staff are faithful members of the church.
- The Bible will be taught by devoted Christians each day. The campers will learn as much Bible during this week of camp, if not more, than they will in two or three months of Sunday School
- Wholesome recreation and entertainment are provided and encouraged. We have fun.
- Friendships will be made that will last a lifetime.
- Leadership talent is discovered and developed at camp. This is the first place many of our young people find themselves helping other young people develop.
- Many of those who are not Christians will obey the gospel while at camp or soon after they return home.
- Sending children of non-members to camp is a wonderful way to teach them the Bible. It can be an effective evangelistic tool.
- When young people are actively involved in youth activities 93% of them will be faithful adult Christians. Only 19% of kids NOT involved in the church youth group grow up to be faithful.
- Many of the young people who are Christians will return home much more interested in the work and ministry of the church. This inspires others to make our congregation a better place.

Minute of Meditation by Mark Tonkery

Heard on 910 AM WLTP

There once was an airplane that made an unexpected stop. The flight attendant explained there would be a delay, and if the passengers wanted to get off the aircraft to stretch, they would re-board in thirty minutes.

Everybody got off the plane except one gentleman who was blind. His Seeing Eye dog lay quietly underneath his seat. The pilot came back and asked him, would he like to get off and stretch his legs? The man replied, "No, thanks, but maybe my dog would like to stretch his legs."

All the people in the gate area came to a complete standstill when they looked up and saw the pilot (wearing his aviator's sunglasses) walking off the plane with a Seeing Eye dog!

People not only tried to change planes, they also were trying to change airlines!

How easily we can be misled by appearances! No wonder Jesus said, (Jos 7:24), "Do not judge by appearances, but judge with right judgement."

This is Mark T. Tonkery with a minute of mediation from the Camden Avenue church of Christ where you are always welcome.

What Do You *Believe?*

Give book and chapter, also verse
for your belief today
Otherwise you'd better find
the right and better way.

One day His word will judge your life
is what your Savior said
He died upon the cross for you
then rose up from the dead.

The perfect sacrifice for sin
this precious Lamb of God
While Satan sneaks and makes a plan
your soul from you to rob.

Search the scriptures while you may -
those messages of love
To help you live on earth while here
then go to realms above.

One way there is and only one
a true Christian you must be
Don't let Satan pull his tricks
if heaven you would see.
